Biola ID:

TO BE COMPLETED BY THE ACADEMIC ADVISOR

U.S. Citizenship and Immigration Services (USCIS) regulations require that F-1 students must be enrolled in a full-time course load each semester in order to maintain valid non-immigrant student status. Courses counting toward the full-time minimum must be required by the student's program of study. The course load must also contain a minimum amount of credits taken in person.

The student is engaged in the following academic program:

Include Academic Plan from Planner and Degree Audit that shows full-time course load to maintain F-1 visa status. This can be sent as an email attachment, forwarded to the DSO who signs the PDF.

The student is scheduled to take the following in-person courses:

The student is scheduled to take the following amount of online credits:

The student is expected to complete their program of study on (MM/DD/YYYY):

I certify that this student is in good academic standing and is making normal academic progress toward degree completion. I also certify that the student has no financial or other holds on their account.
