

### Rosemead Doctoral Prerequisite Worksheet

This prerequisite worksheet is to be completed by applicants who will graduate with a bachelor's degree in a field other than psychology. Please fill out the following information for each required prerequisite: School of completion, course title, course description, grade received, and date completed or will complete.

Notes:

- These courses may be in-progress at the time of applying, or you may plan to take them after you complete this form. Please specify on this form if this is the case. Keep in mind that these courses will need to be completed (C- or better) prior to the start of the first semester.
- At times, applicants may be required to submit course syllabi for further evaluation. You will be contacted if this is the case.
- Applicants **MUST** turn in official copies of transcripts for these courses upon completion.
