

## Affidavit of Financial Support Instructions

The U.S. government regulations require that all international students show proof of adequate and available funding for tuition, fees and living expenses while studying in the U.S. As such, Biola University must receive a complete Affidavit of Financial support that confirms that the student has met the financial requirements before an I-20 is processed and issued. **For the estimated total cost of education, please see the chart below.** The sponsor signing this form is confirming that he/she will be responsible for payments of expenses for the duration of the student's study. However, the sponsor is required to show proof of available funding (bank statement) to meet the first year expenses while affirming with a signature that the support will continue for subsequent years according to the fees set for that year. Please note that incomplete forms or lack of the required support documents will delay the issuance of an I-20.

### Tuition and Fees 2021-2022

<b>Tuition (2021-2022)</b> <i>(Based on flat fee of 12-18 units)</i>	\$44,382
<b>Estimated Living Expenses</b> <i>(Housing and Meal Plan)</i>	\$9,798-\$11,131
<b>Student Health Insurance</b>	\$2,140
<b>TOTAL</b>	<b>\$56,320-\$57,653</b>
<i>Students who have dependents must include \$10,000 for a spouse and \$4,000 for each child that they will bring to the United States. In addition, consider \$1000 for books and supplies.</i>	

**Requirements and Guidelines** – Please print this document and fill out all the requested areas clearly. Before submitting the form, make sure that the following requirements are met:

1. Student's information and signature are completed
2. Sponsor's information and signature are completed
3. Bank Statement/Certificate of Balance is included and it is sufficient to cover the annual cost of education (see the chart above). Please note that if a student has been offered a scholarship from Biola University, that amount may be subtracted from the total annual cost, and the sponsor may confirm support for the remaining portion.

**Bank Statement/Certificate of Balance** – A sponsor may provide a bank statement or a certificate of deposit confirming the availability of funds which are equivalent (or in excess) of the amount of estimated annual cost. The bank statement must be current (issued within the last 3 months of submitting this form). Real estate holdings or other non-liquid assets ARE NOT accepted.

**Additional Information** – Students who are receiving scholarships from corporations, organizations, or their government must provide an official letter that specifies the terms of the scholarship, amount of the scholarship, and contact information if further inquiries arise. Canadian students who are receiving Canadian student loans may provide confirmation of their loan disbursement details.
