

The U.S. government regulations require that all international students show proof of sufficient funding for tuition, fees and living expenses while studying in the U.S. To issue an I-20, Biola University must receive this Affidavit of Financial Responsibility form. Please note that the submission of inaccurate or incomplete forms and supporting documents will delay the issuance of an I-20.

Please upload this form and all supporting documents to your application portal or email them to international.coordinator@biola.edu for processing.
